DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to

37 CFR 1.114. Applicant's submission filed on September 18, 2006 has been entered.

Allowable Subject Matter

2. Claims 5-15 are allowed.

3. The following is the Examiner's statement of reasons for allowance: the claims are directed at a data processing method for a portable terminal having an interface to an integrated circuit (IC) card. The portable terminal communicates with a host center in wireless manner sending and receiving information and also performs authentication. A request on the IC card to update value stored in the IC card can be made from a telephone. Such method is neither disclosed nor suggested by the cited references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
